🎓 IB Teacher | University of Copenhagen | MSc in Biology

My background includes an MSc in Biology from the University of Copenhagen and a BSc in Environmental Science from Aarhus University. With 7 years in IB, IGCSE, and A-Level Biology tutoring, I'm passionate about helping students excel and appreciate biology.

Teaches: IB Biology A-Level Biology IGCSE Biology GCSE Biology AP Biology

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

University of Copenhagen: MSc in Biology (2016–2018)

Aarhus University: BSc in Environmental Science
(2012–2016)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past 7 years, I've had the privilege of working with students across IB, IGCSE, and A-Level curriculums, guiding them through complex biology concepts and preparing them for exams. I've seen my students achieve top marks and develop a deep understanding of the subject, allowing them to pursue further studies in the sciences.

I've also worked with university students in areas such as cellular biology and ecology, providing tailored support to ensure they excel in their courses. My extensive experience has allowed me to create a dynamic learning environment where students feel confident and engaged in their studies.
